

LMCG INVESTMENTS HIRES NEW HEAD OF GLOBAL INSTITUTIONAL SALES

Boston, MA, February 26, 2018—[LMCG Investments, LLC](#) (LMCG) is pleased to announce the appointment of Christopher Premock as Managing Director and Head of Global Institutional Sales and Marketing. In this position Mr. Premock will lead LMCG’s global institutional business development and consultant relations effort along with building and maintaining relationships within LMCG’s existing institutional client base.

“LMCG has always been a committed solutions provider to the institutional marketplace and the investment consulting community,” said Kenneth L. Swan, CEO of LMCG Investments. “Hiring Chris reinforces this commitment, and combined with our firm’s existing expertise, will drive growth across our investment offerings. Chris has the ideal background to grow our business in both the U.S. and overseas. LMCG offers unique and diverse investment strategies with a focus on less efficient areas of the market, and we are confident Chris will lead continued asset growth across our strategies.”

Mr. Premock brings over twenty years of experience in the financial services industry, acquired in his previous positions, most recently as Head of Institutional Sales and Consultant Relations at Frontier Capital Management where he spent eleven years. He was responsible for business development, client retention and cross selling efforts in North America, Europe and the Middle East for the firm’s U.S. equity capabilities. He held similar positions at Lehman Brothers Asset Management and Neuberger Berman. Mr. Premock graduated from Arizona State University with a B.S. in Finance and earned his M.S. in Finance from Baruch College, City University of New York.

About LMCG

LMCG is a Boston-based investment management firm, offering a broad range of investment strategies to institutional and private clients, including corporate and public pension plans, foundations, endowments, financial advisors, family offices, mutual funds and individuals. The firm manages equity portfolios across a range of market caps, investment styles and U.S. and international regions, as well as liquid alternatives, structured credit and U.S. fixed income securities.

There can be no guarantee that any strategy (risk management or otherwise) will be successful. All investing involves risk, including the potential loss of principal.
